

Just To Say...
Thank You

Thanks for your encouragement
those helpful words of praise
little acts of kindness
that have helped in many ways
No wonder you're so special
to the ones who think of you
And wish you every happiness
each day a lifetime through
Thank You So much

Mr. Prakash,

I would just like to say thank you,
for the encouragement you gave me
when I decided to have my Bodys
done by you. It has changed
my life I can now wear the
clothes I have always wanted
to wear and its made me
re-gain my confidence -

Thank you one again, and thank you
for the flowers you sent to me.
Thank you, one again.
See you soon.
